CONCORDE XTRA ALUMINIUM WEDGE

THE BEST OF BOTH WORLDS

One of the newest additions to the Mustad Australia product range, the St Croix Concorde Xtra Aluminium Wedge Horseshoes combine all your favourite benefits of the Concorde Xtra Race Plate range with an elevated heel in three variations.

The wedge design is a true wedge from the heel to the toe of the shoe, and options within the range include:

- 2 Degree Front Toe Clip
- 2 Degree Hind Toe Clip
- 3 Degree Hind Toe Clip

	2 DEGREE FRONTS	2 DEGREE HINDS	3 DEGREE HINDS

CLIP	toe	toe	toe

**PUNCHED FOR MUSTAD
HAMMERHEAD NAILS**

NAIL RECOMMENDATIONS

The St Croix Concorde Xtra Aluminium Wedge horseshoes are specifically punched for Mustad Hammerhead nails. This ensures a perfect fit every time.

They are also well suited to pairing with the Mustad FJ Slim nail if the Hammerhead does not align with the horse's needs.

As part of the Concorde Xtra collection, these shoes feature pitched nail holes in the first four nail holes of each shoe to assist farriers in achieving better pitch when driving the nail.
